**Leadlight Windows
Armidale NSW**

I am pleased to confirm that Peter has designed and installed 4 leadlight window panels at my property in Armidale NSW.

I am very pleased with the design and quality of workmanship and would have no hesitation in recommending Peter for any stained glass or leadlight work.

I would be happy to speak further of Peter's work both at my property and other examples of his work which I have viewed in Armidale.

Yours faithfully
